

HORIZON PSYCHIATRY

Instructions on how to test Doxy.me connection

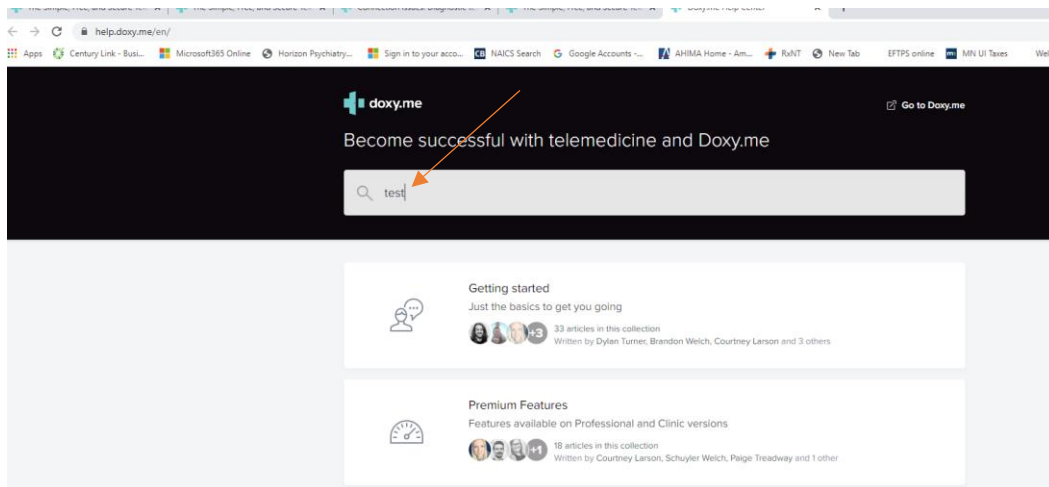

1. Log into www.doxy.me on your device that you plan to use for your virtual appointment. Device must have a camera and a microphone (smart phone, tablet, computer)

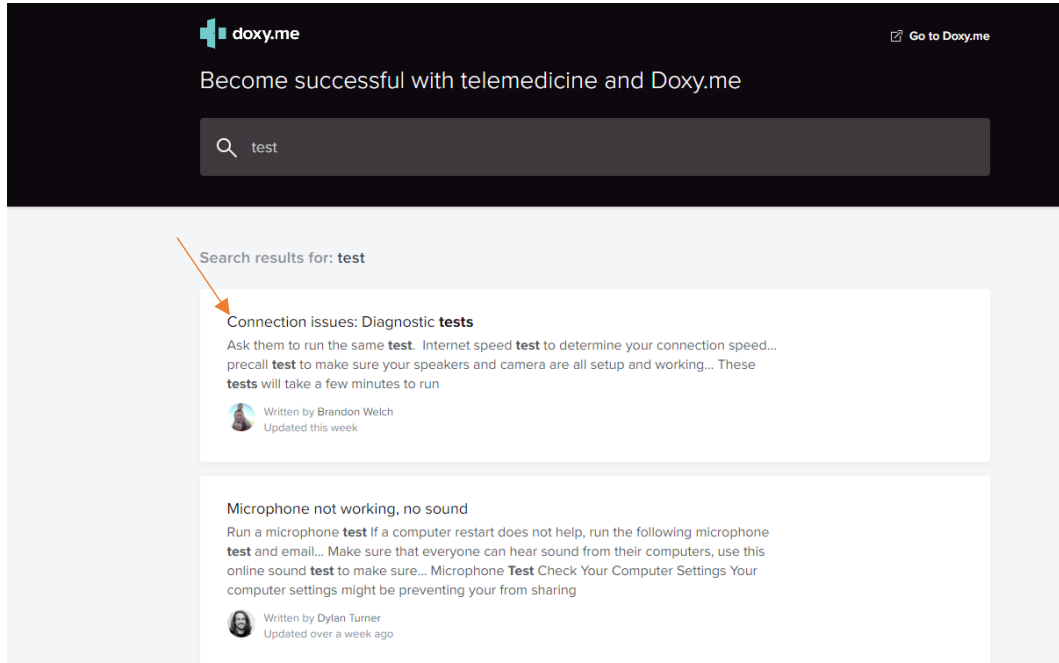

2. On home page of doxy.me, scroll to the bottom of the page and click on 'help center'.

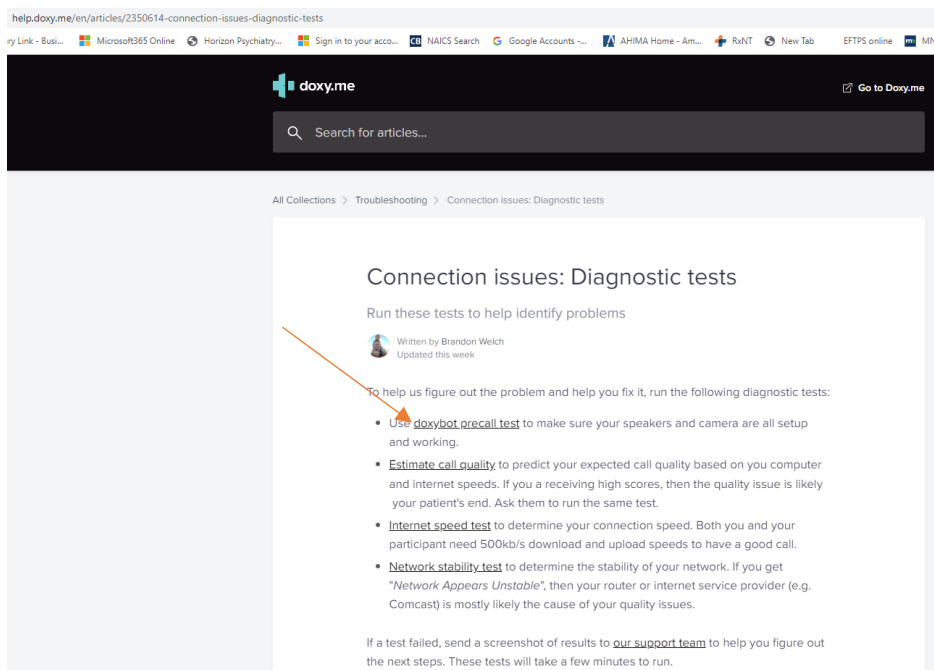

3. Type in the word 'test' in the search field and hit enter

4. Click on the first search result 'Connection issues: Diagnostic tests'

5. Click on the 'doxybot precall test' in the first bullet list

6. Follow the prompts in the chat window with doxybot to run your precall test.
